

BLEDINGTON SHOP PRE-PAID ACCOUNT

.... for easier, more convenient shopping

SIGN UP NOW

What is it? The Bledington Pre-Paid Account makes it easier for you to shop at the Bledington Shop and Café. It's a simple idea and used by many community shops. **Just set up a monthly standing order** so you can go to the shop and buy what you need, when you need it. You don't have to remember your wallet, purse or cash.

How does it work? Because you are in credit at the shop, you just give your name or show your card to buy things. You can also send your family or friends to buy things for you with your Pre-Pay Card. You can check your balance at the till any time and you can start, add to your monthly amount, or stop when you want.

How secure is it? Your money is yours in your Pre-Paid account. You can get it back whenever you want. If you should lose your Pre-Paid card – just tell us straight away and we will block it. You will not be responsible for any use after you tell us. And remember – this is a village shop so we will all know each other, and we have CCTV.

What's the benefit? **Not only do you receive a free Bledington Shop Tote Bag**, but more importantly it makes shopping easier. You don't have to carry money or credit cards with you. It helps you budget and it is convenient. And it helps us manage the shop cash flow.

How much do I sign up for? A nearby shop has told us the average spend on their pre-pay accounts is £50 per month. Before deciding how much, consider the kinds of items you might buy from the shop during the month. Remember this could include drinks, food, as well as snacks in the café. Don't forget to include what you will spend on newspapers and magazines.

How do I sign up? **It's easy. You can:**

- 1) **Print out the mandate, fill it in and send it to us or to your bank** OR
- 2) **Set this up directly online through your bank account, using the details on the mandate overleaf.**

Once we hear from your bank, you will be given your own Pre-Paid Account Card to use when you want.
